PRO-HUMUS®

Pro-Humus® is a ready-to-use humus-based inoculant that contains sufficient living nitrogen-fixing bacteria for the inoculation of soybeans.

This product contains:

(Bradyrhizobium japonicum)

Growers have stated:

- ✓ Pro-Humus® inoculant is easy to use
- ✓ Can increase your yields and profits
- ✓ Is safe and economical.

Directions for use and storage:

- **No not open cartons with a knife. Cartons contain individual bags.**
- **Application Rates:** Each package contains sufficient living nitrogen-fixing bacteria to inoculate the kind and amount of seed specified at left. Reinoculate seed if not planted within 24 hours of nodulation. See rates with product discription at left.
- **Directions for Planter Box Application:**
Wet Method: Moisten seed with clean, cool water and then sprinkle contents of this package onto the moistened seed. Mix thoroughly. Plant immediately or as soon as seed is sufficiently dry to permit seeding without difficulty.
- **Dry Method:** Under good planting conditions, satisfactory results can be obtained by mixing inoculant with seed directly in drill or planter hopper without adding water. Be sure to mix thoroughly. Plant immediately.
- **Storage:** Pro-Humus® contains live nitrogen-fixing bacteria. It is important to store in a cool, dry place, between 40° - 77° F (4° -25° C) out of direct sunlight or conditions where temperatures would increase significantly. **DO NOT ALLOW TO FREEZE.**

This is a dated product that must be used prior to expiration date on the box label.

NOTICE - READ CAREFULLY CONDITIONS OF SALE AND LIMITED WARRANTY STATEMENT

Inoculation or treatment of highly mechanically damaged seed, or seed of known low vigor and poor quality, may result in reduced germination and/or reduction of seed and seeding vigor. Treat and conduct germination tests on a small portion of seed before committing the total seed lot to a selected treatment. Due to seed quality conditions beyond the control of Advance Inoculants, no claims are made to guarantee germination of carry-over seed. As its sole express warranty, Advance Inoculants warrants the cultures in this package will inoculate the quantity of seed listed on this package and is reasonably fit for purposes stated on the label only when used in accordance with directions and instructions specified on the label, subject to the inherent risks set forth above. ONLY AS PERMITTED BY APPLICABLE LAW, IN THE EVENT OF A BREACH OF THIS LIMITED WARRANTY, ADVANCE INOCULANTS SHALL NOT BE LIABLE FOR CONSEQUENTIAL DAMAGES, SUBJECT TO APPLICABLE LAW, ADVANCE INOCULANTS NEITHER MAKES NOR AUTHORIZES ANY OF IT'S AGENTS OR REPRESENTATIVES TO MAKE ANY WARRANTY OF FITNESS OR MERCHANTABILITY, GUARANTEE OR REPRESENTATION, EXPRESS OR IMPLIED CONCERNING THIS MATERIAL. Buyer assumes the responsibility to handle, use and store this product in accordance with the safety instructions and use directions contained on the label. Buyer/User purchases this product subject to the foregoing Conditions of Sale and Limited Warranty, which, subject to the applicable law, may be varied only by a written agreement signed by a duly authorized representative of ADVANCE INOCULANTS. If these terms are not acceptable, return all products to the place of purchase, unopened for a full refund.
