PRO-LIQUID EXTENDER

Pro-Liquid EXTENDER is to be used exclusively with
Advance Pro-Liquid Inoculant and is designed to extend
the shelf-life of Advance Pro-Liquid Soybean Inoculant

(This product is not an inoculant)

Directions for use, rates and storage:

- **Pro-Liquid EXTENDER** is designed to be used with Advance Pro-Liquid Soybean Inoculant to extend the shelf-life of Pro-Liquid Soybean Inoculant.

Pro-Liquid EXTENDER is **ONLY** to be used with Advance Pro-Liquid Soybean Inoculant. Proper application equipment **MUST** be used. Refer to the Inoculant label, Inoculant Use Guide, or contact your distributor or retailer for additional information.

- **Directions:** Mix 18.4 fl. oz. of PRO-LIQUID EXTENDER per 3.1 liters (0.80 gallons) of Advance PRO-LIQUID Soybean Inoculant (treats approximately 2,500 pounds of seed.) These products should be mixed in a treater tank so thorough mixing can be accomplished. A seed treater with adequate bypass agitation or mechanical agitation should be used.

The amount of inoculant and Pro-Liquid EXTENDER that can be mixed together is limited only by the size of the mix tank.

Mix only as much as can be used in one 24-hour period. Continuous agitation is recommended throughout the mixing and application process. Apply this mixture to the seed at the rate of 4.94 fl. oz./cwt. If applied with seed treatments, please refer to the product manufacturer for appropriate application recommendations.

Refer to Application Guide for additional information.

- **Storage:** Keep product from freezing and store in original container. Keep out of the reach of children.

NOTICE - READ CAREFULLY CONDITIONS OF SALE AND LIMITED WARRANTY STATEMENT

Inoculation or treatment of highly mechanically damaged seed, or seed of known low vigor and poor quality, may result in reduced germination and/or reduction of seed and seeding vigor. Treat and conduct germination tests on a small portion of seed before committing the total seed lot to a selected treatment. Due to seed quality conditions beyond the control of Advance Inoculants, no claims are made to guarantee germination of carry-over seed. As its sole express warranty, Advance Inoculants warrants the cultures in this package will inoculate the quantity of seed listed on this package and is reasonably fit for purposes stated on the label only when used in accordance with directions and instructions specified on the label, subject to the inherent risks set forth above. **ONLY AS PERMITTED BY APPLICABLE LAW, IN THE EVENT OF A BREACH OF THIS LIMITED WARRANTY, ADVANCE INOCULANTS SHALL NOT BE LIABLE FOR CONSEQUENTIAL DAMAGES, SUBJECT TO APPLICABLE LAW, ADVANCE INOCULANTS NEITHER MAKES NOR AUTHORIZES ANY OF ITS AGENTS OR REPRESENTATIVES TO MAKE ANY WARRANTY OF FITNESS OR MERCHANTABILITY, GUARANTEE OR REPRESENTATION, EXPRESS OR IMPLIED CONCERNING THIS MATERIAL.** Buyer assumes the responsibility to handle, use and store this product in accordance with the safety instructions and use directions contained on the label. Buyer/User purchases this product subject to the foregoing Conditions of Sale and Limited Warranty, which, subject to the applicable law, may be varied only by a written agreement signed by a duly authorized representative of ADVANCE INOCULANTS. If these terms are not acceptable, return all products to the place of purchase, unopened for a full refund.
